It is the endeavour of the Government to raise the GER of SCs in higher education from 23.0 % to the national average in the next five years. Similarly, the GER in Senior Secondary education of SCs has to increase from the current 56% to the national average in the next five years. Towards this end, special focus of the implementing agencies is required to achieve the goal.

Post Matric Scholarship for SCs: Scheme Guidelines

6.2 All the SC students with annual income of up to Rs 2.50 lakh per annum would be eligible under the scheme. However, the State Government will additionally make special efforts to identify the poorest households from various sources and enroll the eligible students under the scheme in a mission mode. Further, these students would be monitored on regular basis so that they continue with their studies. Such students shall include (i) students from SC households with three or more deprivations as per SECC-2011 (ii) students from SC households where one or both the parents are illiterate and (iii) the students who have passed 10th standard from a State Government/ Municipality/Local Body school. In this regard, States/UTs will launch special campaigns to identify and cover such students.

6.3 States/UTs may adopt methodology suitable to the local conditions for identification of such students e.g. SC majority districts/blocks/villages may be taken first for identification of poorest students or students leaving class 10th or 12th class may be tracked in association with the education department or data emanating from other Central/State schemes indicating the dropouts rates or other sources as deemed fit. Every State Government shall undertake a campaign every year in March/April to identify such students and mentor them to enrol and avail scholarships. Such students will be helped for identification of courses also as per their skills.

6.4 Awareness drive shall be undertaken by the State Governments/UTs about the scheme through the Gram Panchayats Notice Boards, school committees, and discussions in the parent-teacher association meetings and other public awareness measures, in order to extend its coverage and also minimize any misuse by unscrupulous elements.

6.5 The States are required to take up identification of the students for fresh enrolment by taking up systematic drive covering all the higher secondary schools and encouraging the pupils who have dropped out after Class 12th to come back to higher education.

6.6 It is essential that the fresh enrolments to the extent possible are made in the courses which are having employment potential. For this purpose, the State may do an exercise in consultation with the Higher Education Department of the State Government, and the State Skill Mission for identifying courses which would improve the employment potential of the students. It is strongly advised that fresh enrolment may be made in these courses. Such skill courses should be long term courses with periodicity of at least 1 year and conducted by the institutions as per Para 4 of the scheme guidelines.

6.7. State Government will ensure that the beneficiary, at the time of admission, applies for the scholarship also. In this regard, the State Government may open facilitation centers

or nominate a nodal officer in the educational institutions so that the entry into the student database for renewals and fresh admissions can be done in a stipulated timeframe.

6.8 The State Governments shall put in place a scholarship portal that has all features as prescribed in para 13 of these guidelines and share the data on a real-time basis with the Central portal.

6.9 The State/Central Government shall have robust monitoring systems, including field inspections, social audits, data analytics etc. so that timely payments are made to eligible beneficiaries.

7.4 The State Governments may, if they so decide, top up the academic allowance from their own resources.

8. Freeship Card and process for issue

8.1 All eligible students shall be entitled to take admission in the institutions without pre-payment of tuition fees and hostel fees as per the Scheme Guidelines. To enable this, a FREESHIP CARD will be issued by the State Government to the eligible students, as per procedure detailed below. This Freeship card shall make the student eligible to study in the institution without pre-payment of the fees, and on the condition that as and when amount is released to the student's account, the institution would be intimated to collect the same from the student.

8.2 The student shall, well before the expected date of admission, register for issuance of a Freeship Card on the respective scholarship portal giving the details like the Aadhaar number, the name of the course in which he/she wants to take admission (e.g. MBBS, B.Sc., Class XI etc.) and an undertaking that the institution's charges would be paid within 7 working days from the date of receipt of the scholarship amount in his/her account. For the purpose of registration of Freeship Card, the portals shall remain open throughout the year.

8.3 The verification of the income, caste and merit details should be automatically done from the databases which are linked online for instant verification. The process should be entirely paperless. Post Matric Scholarship for SCs: Scheme Guidelines

for which application is made so that the eligible students are not denied admissions due to delay in depositing tuition fees. It should be possible for the student to download the Free Ship Card from the portal itself. Once complete digitization of all the required certificates is done, such Freeship Card shall be automatically generated immediately on registration, if the student is found eligible.

8.5 The Freeship Card shall contain the details given in Annexure-1, and shall be digitally signed. For the purpose of admission, the Freeship card will remain valid for period of one year from the date of issue.

8.6 If a student wants to change his/her course before taking admission in an institution, he can do so by logging on IT portal and a fresh Freeship Card shall be issued automatically for all eligible students.

8.7 In case of renewal students, there shall be no need for fresh registration for the Freeship card and a card once issued to him/her shall be valid for the entire duration of the course.

9.2 On the day of admission itself, the institution shall verify on the scholarship portal that the student has taken admission in the institution with the same course as mentioned on the Free ship card and is now a bonafide student of the institution.

9.3. In case of renewal students, the student shall be auto-renewed based on the attendance and confirmation from the institution of the student having been promoted to the next class and having joined back the same course as hosteller/day scholar, as the case may be.

10. Funding Pattern of the Scheme

10.1 There will be a 60: 40 sharing ratio between the Centre and States (90:10 in case of North Eastern States) of the average demand for the scheme for three year period 2017-18 to 2019-20 (to be considered as the base period), with a 5% overall annual increase each

Post Matric Scholarship for SCs: Scheme Guidelines

year in the Central assistance for all States put together in absolute terms w.r.t. base period. The above shall be applicable from 2020-21 onwards and the scheme will be continued upto the financial year 2025-26.

10.2 Thus, for the purpose of determining the demand for the year 2020-21, the average demand of 2017-18 to 2019-20, or the actual demand for 2020-21, whichever is lesser, will be considered for each State/UT. For subsequent years i.e. 2021-22 & onwards, the Central assistance for all States put together will be limited by a 5% annual increase over the average demand for the scheme for the base period of 2017-18 to 2019-20, which shall be ensured by the Project Appraisal Committee (PAC) while appraising the States' Annual Action Plans. The Ministry will have the flexibility of adjusting the allocation of funds between the States subject to the total allocation approved, without disrupting the 60:40 sharing ratio between the Centre and the States.

10.3 If the total fund requirement is over and above the annual 5% limit, the central share will be limited to that and the additional requirement of funds, if any, shall be met by the State Governments from their own resources.

10.3. All the State Governments and Union Territory Administrations implementing the scheme will maintain the data of all the beneficiaries on their online portal and will distinctly mention the amount of scholarship under various components as mentioned in the Scheme.

11. Payment Mechanism

11.1 The entire scholarship amount - both from the State and Central Government - including the tuition fees, academic allowance and any other admissible allowance will be paid directly into the account of the students **ONLY through DBT** preferably through an Aadhaar Based Payment System (Aadhaar Payment Bridge) from 2021-22. The States shall preferably release the payments through PFMS System so that the accounts of the students are not required to be validated again.

11.2 Starting from 2021-22, the Central share in the scheme would also be released on DBT mode directly into the bank accounts of the students, after ensuring that the concerned State Government has released their share.

11.3 All the States/UTs/Centre would adhere to the following timelines for processing of the applications and release of scholarship amounts:

Post Matric Scholarship for SCs: Scheme Guidelines

- The scholarship portals would remain open throughout the year so that all eligible students can register for the Freeship Card and apply for the scholarships.

12. Duration and Renewal of Awards

12.1 The award once made will be payable up to the completion of the course subject to satisfactory academic performance and attendance of 75% in every academic year. The attendance will be verified through Aadhaar based attendance System.

12.2 If a scholar is unable to appear in the annual examination owing to illness, the award may be renewed subject to production of medical certificate from prescribed authority and acceptance of the same by institution /college.

12.3 If, according to the Regulations of a University/Institution, a student is promoted to the next higher class even though he/she may not have actually passed in lower class and is

Post Matric Scholarship for SCs: Scheme Guidelines

required to take examination of the junior class again after sometime, he/she will be entitled to scholarship for the class to which he/she is promoted if the student is otherwise eligible for scholarship. Further, in case a student fails in any class and then again joins the same class as a regular student, he/she will be eligible for scholarship for one additional year or the actual period, whichever is lower.

Therefore, all States/UTs implementing the scheme will migrate to online processing of disbursement of scholarships, where not already done. The scholarship portal should mandatorily have the following features:

- a) The IT portal shall be integrated with the AISHE/UDISE portal for pulling the data about the institution in which the student has taken admission.
- b) At the time of registration for Freeship Card, every student should provide an Aadhaar ID/Aadhaar EID and other alternative form of ID as per this Ministry's notification no. 428 dated 16.02.2017 which will enable elimination of duplication and false claims. The Aadhaar authentication is mandatory in case of renewals, if not provided at the time of admission. The Aadhaar number entered by the students should go through demo-auth on real-time basis before allowing entry into the registration portal.
- c) The States shall undertake fool-proof verification of the eligibility, caste status, Aadhaar identification and bank account details on the online portal.
- d) There shall be no upload of any documents or any certificates into the system. All data should be auto-verified by linking databases through digilocker or any such

- mechanism, such as (i) school boards' results, including the CBSE/ICSE along with the certificates maintained by them; (ii) database of income certificates, domicile and caste certificates issued by State/District Administration and (iii) databases maintained by the Universities and Colleges, using Aadhaar number as the link.
- e) All verification process of the students should be done using the above authenticated databases automatically using the digital process with little or no manual intervention. There should be no system of verification by the institutions or even the district level officers. Till such time such a system is put in place, the manual verification shall be completed within 30 days from the date of application, with a provision for 'presumed approval' if the same is not completed within 30 days.
 - f) A suitable system will be put in place for taking Aadhaar based attendance system which is non-intrusive and automatic. Till such a system is finalized by the Central Govt., the institution shall upload the attendance of the scholarship holder every month in the Attendance module that would be developed in the IT system.

 - h) The renewals should be automatic based on promotion to the next class and having the required attendance, subject to confirmation of the student having joined back the same course as hosteller/day scholar, as the case may be. There should not be any requirement for the student to apply for renewals.
 - i) A performance module to monitor the progress of student as well as performance of the institution should be suitably designed and incorporated.
 - j) Apart from this, the States shall maintain a complete database of the beneficiaries under various other scholarship schemes to ensure de-duplication of the beneficiaries.
 - k) The portal shall incorporate an online grievance redressal mechanism linking all the authorities responsible for implementation on the scholarship portal.
 - l) There shall be a provision indicating the students of the poorest households, as per the parameters provided under the Scheme, selected for scholarship.
 - m) The portal will make arrangements so that the students, once declared blacklisted, may not be able to apply for scholarship again.

14.1 Every participating State/UT, on or before 28th February of the preceding year, will prepare a State level Annual Plan for the PMS-SC scheme. In case the State has any other initiative on similar lines to PMS-SC, this may be mentioned separately in the Action Plan. The Action Plan should give clearly the targets, eligibility, proposed coverage separately for poorest households, processes for identification, identification of courses having employment potential, systems for monitoring etc.
