UNNAT BHARAT ABHIYAN is a Ministry of Human Resource Development, Government of India programme that aims to connect institutions of higher education, with local communities to address the development challenges through appropriate technologies. UBA creates an opportunity for the students to involve with local village people at every stage of problem identification and solving issues relating to health, cleanliness, waste management, plantation, financial inclusions, women and child development.

SWACHH BHARAT SUMMER INTERNSHIP programme aims to engage the educated youth across the nation in this cleanliness drive, enhance their skills and introduce them to the sanitation-related work and unify the youngsters in community development work in the rural areas. It will also help in magnifying the mass awareness on the issue of cleanliness and will promote the people's movement towards Swachh Bharat Mission.
