

## उन्नत भारत अभियान 2.0 UNNAT BHARAT ABHIYAAN 2.0

### HAND WASH EQUIPMENT TO SCHOOLS OF ADOPTED VILLAGE

Hand washing practice is essential for healthy living. Hand washing prevent from transmission of many infectious diseases. Hence AVIT ISR cell under Unnat Bharat Abhiyaan scheme , joined hands with Rotary club of Chennai and sponsored hand wash equipment to the schools in the adopted villages. The goal of intervention was to improve hand hygiene among rural school students. Dr.B.Prabasheela,UBA coordinator and Dr.Vijayan ,village coordinator visited and identified five schools that lack hand wash station. The expenditure for each school is Rs 30,000 along with cement flooring and total of Rs 1.5 lakhs The installation was carried out from Dec 12<sup>th</sup> - 20<sup>th</sup> 2019.
